Description

The workshop provides basic knowledge about the two presentations in the context of oral appointment procedures:

- Overview of the personal and oral part: challenges and recommendations for preparation
- The science talk: what is expected and how can you deal with the fact that there are students, doctoral researchers, postdocs and professors in the audience?
- Subject-specific expectations of the talk
- The teaching test: preparation and skillful implementation

Trainer

Dr. Matthias Schwarzkopf was responsible for appointment procedures at the University of Jena for several years. He is supporting researchers for many years as a trainer and coach on the topic of appointments.
